Early 2023 Trips & Dates

Dear Fellow Travellers,

HAPPY NEW YEAR! We very much hope you have had a good Festive Season with friends and loved ones.

It is that time of year when we catch up and remind you of our offerings for the coming year.

After a busy autumn season the early 2023 India trips have not tempted. At least eVisas for Brits & Canadians have recently been reinstated.

In late November Susannah & I did the recce for the new Hampi & Karnataka itinerary (Trip will run in late February 2024). The people, colour, sites, cuisine, rural landscapes, and balmy climate made it wonderful to be back in India.

Should you be missing the Subcontinent there is a **LAST CHANCE** to join our **Hidden Rajasthan** (14 days/13 nights) from the **12th - 25th of March**. It is rural Rajasthan at its best and one of our most popular itineraries. That said we have to release bookings 2 months before operating so ...!

The big challenge for 2023 is the substantial increase in costs and prices of everything. The travel & hospitality industries are again among the worst hit sectors. We are finding that suppliers have had to put up costs by 30% or more. As ever we are doing our best to absorb some of these increases without compromising the quality of our products. At least travelling with us is 'All Inclusive' so no nasty surprises!

New for 2023 is our **Dolomites on Foot** Trip, from the **14th - 21st June**. Please note that although not stupidly challenging this trip does require a certain fitness level. Other than the wonderful landscapes and spring flowers, like all our Italian trips, accommodation and gastronomy are real highlights.

ITALIAN TRIPS SPRING 2023:

- **Classic Sicily** (8 days/7 nights) **15th - 22nd May** 2023. Our wonderful exploration of Sicily's centre and south east, covering some of the best Greek and Roman sites, Etna and its vineyards, and offering wonderful accommodation and food.
- **Matera & Unknown Basilicata** (8 days/7 nights) **25th May - 1st June** 2023. Italy's 'undiscovered' region, rural and surprisingly varied, full of Classic & Medieval architectural treasures, excellent gastronomy, and ending with 3 nights in unique Matera (UNESCO WHS).

- **Puglia & Lecce** (10 days/9 nights) **2nd - 11th June** 2023. Our trip is centred in 3 distinct areas of the region, wonderful Medieval architecture, the 'white towns' of Val d' Itria, great accommodation and superb gastronomy, and 3 nights in lovely Baroque Lecce.

- **Dolomites on Foot** (8 days/7 nights) **14th - 21st June** 2023. The stunning landscapes of Italy's Sud Tyrol and Cortina, WWI historical front line, superb walks, great accommodation and excellent food.
